Newsletter for shipments to Iraq

June 10th, 2014

Dear Clients, Partners and Friends,

Below you will find the 7th Newsletter (**Newsflash**) for this year informing you briefly about actual **security situation in Iraq (Mosul area)**:

As the political and safety situation has been changed dramandously within the previous hours, with immediate effect no transportation is possible from the KRG southbound into the Iraqi territory passing the city of Mosul nor passing Kirkuk area.

All movements should be stopped for a couple of days until the situation of the area around Mosul.

Is clear and all military forces release the roads southbound again.

So far, all transportation via Trebil, Baghdad airport or Basrah / Umm Qassar are not yet effected from the military intervention in the area around Mosul.

Thank you for your attention.

Yours faithfully,

M.G. International Transports GmbH
