YOUR RELIABLE PARTNER FOR SHIPMENTS TO IRAQ

Jan 23rd, 2017 NEWSLETTER

Dear Clients, Partners and Friends,
we are pleased to update you on the current situation in Iraq as follows:

Newsflash

► Resumption of Customs procedures for Duty and Tax Exemption Letters from 2016:

We are pleased to inform you that Umm Qasr Customs received a letter of South Region Customs today, 23rd Jan which says that the clearance of shipments with valid DEL & TEL for contracts signed prior to 1st Jan 2017 can be proceeded.

South Oil Company has already started with sending shipping documents to Umm Qasr port customs for registration so.

Others Ministries like Ministry of Electricity/Health/Agriculture etc. have not started yet. It is expected that they will start within the next couple of days as well.

Now we are checking with related offices for the process and how to proceed. Most likely the Ministries might issue a preference list which shipments can be cleared first.

However, due to the high backlog of shipments at Umm Qasr port we expect delays in the clearing, loading and transport process. We are trying to proceed with our clients' shipments as quick as possible and will keep all posted later within the next days.

Thank you for your attention.

Yours sincerely,

M.G. International Transports GmbH
