NEWSFLASH

Dear Clients, Partners and Friends,

You might be aware that nationwide protests began in Iraq on Friday October 25th. The situation at Umm Qasr Port is unstable and led to closures of all port terminals. Currently all operations are stopped and no cargo deliveries can be arranged. Vessels are not operated for the time being and no new incoming vessels are allowed to enter the port.

Furthermore deliveries inside Iraq are restricted due to road blockings and the fact that trucks are unable to enter to the cities.

For security reasons the Iraqi government declared curfews in major cities such as Baghdad and Basrah.

We are going to keep you updated on the further development and are ready to support and assist in case of any questions.

Yours sincerely,

M.G. International Transports
