YOUR RELIABLE PARTNER FOR SHIPMENTS TO IRAQ

November 8<sup>th</sup> 2019, NEWSLETTER

## NEWSFLASH

Dear Clients, Partners and Friends,

Please be informed that Umm Qassr Port opened resumed working yesterday November 7<sup>th</sup> for a few hours.

Today the operation at Umm Qassr Port continued. First of all there is a huge backlog to be completed in terms of operation of berthed vessels and clearance of cargo which was stuck during the closure. Customs at Umm Qassr Port also resumed working.

As of today, major shipping lines still have a booking stop for POD Umm Qassr. We expect that the booking stop will be lifted by early next week – subject to further stability in the country.

We will closely monitor the further developments and keep you updated accordingly.

Yours sincerely,

**M.G. International Transports**
