December 15th 2020 NEWSLETTER

Dear Clients, Partners and Friends,
we like to update you regularly on the day-to-day situation.

1. Season's Greetings

There customers, business partners and friends. On the occasion of Christmas we wish you all the best for the upcoming holidays, a Happy and healthy New Year. 2020 was a year with large challenges, certainly COVID-19 was and still is the challenge which has effected and changed our all live. May 2021 be a peaceful and healthier New Year for all of us. Thank you for confidence, your trust, support and your cooperation. It will be a pleasure for us serving you in 2021 as well.

2. Demonstrations

Recently demonstrations took place in the around oilfields in the KRG Region. Therefore, deliveries to certain fields were interrupted. Also around Nassiriyah demonstrations took place again.

3. Cancellation DEL & TEL

The IRQ Government has cancelled the validity of Duty and Tax Exemptions for certain

contracts. Please consider that for 2021 Duty and Tax Exemptions require a renewal.

4. New CoR Registration

Please consider the new rules regarding the CoR Registration (see our October Newsletter).

From Oct 1st 2020 suppliers need to register their products (for the IRQ Market) subject to a certain product category. The new certificate will be mandatory for all suppliers and manufacturers within a certain period of time. For further details please check on www.tuv.com/cor-kontakt.

5. CoC Certificate

According to Intertek (the Inspection company for CoC Certificates required for KRG Region). The authorities in the KRG region have issued instructions that effective from 1st January, 2021, all types of

Transformer Shipments including Medium and High Voltage Transformers must also be

accompanied by a Certificate of Conformity (CoC). Source: Intertek.

[Exporter/Importer Guidelines](#)

6. Ibrahim Khalil Border

Turkish trucks are allowed to enter into the KRG Region and can also deliver goods to the final destination e.g. Erbil again.

However a COVID Test is mandatory for the drivers. A changing of the prime movers is not anymore required, unless deliveries are for Central & South Iraq.

7. Iraqi Airports

Baghdad Intern. Airport

Cargo flights are taking place with limited schedule. We are offering currently at least two to three flights per week plus charter flight options.

Erbil Intern. Airport

Mixed Flights (cargo and passengers) are flying again regularly. We are offering currently 3-4 flights per week to Erbil.

Sulaimaniyah Intern. Airport

Passenger flights to Sulaimaniyah are suspended, cargo flights are available but very limited in dimensions and weights (only very small and light packages).

Basrah Intern. Airport

Emirates Airlines offering again three flights per week. (Mixed flights). Charter Flights are calling Basra Airport. We offer one charter cargo flight per week for the time being.

8. Iraqi Seaports

North & South Port Terminals are working normal. Due to the changing of customs staff at UMQ and BSR customs, clearing is delayed.

9. Jordanian Seaport

Aqaba is working as usual, there are no major delays in operation. The Trebil border point is open for domestic and for transit cargo. Transshipments from Jordan to Iraqi Trucks take place at the no-men's land.

10. Ar-Ar Border Point

Early November, Ar-Ar, the border point between Saudi Arabia and Iraq, has been re-opened. Since 1990 this border was closed. Saudi Arabia and Iraq have agreed to re-open the border for trade as well as for pilgrim. Similar to the Jordan border, a transshipment of goods will take place at the no-men's land.

Please feel free to contact us in case of any specific question and please stay safe and healthy.

Yours sincerely,

M.G. International Transports
