Dear Clients, Partners and Friends,
we like to update you regularly on the day-to-day situation.

New Warehouse Facilities in Dohuk

We are pleased to inform you that as per 15.07.2023 MGI IRAQ is operating a new warehouse in Dohuk/Iraq.

The warehouse offers 500 sqm of covered storage facilities as well as open storage facilities. It is located approx. 50 kms away from Zakho / Ibrahim Khalil Customs and approx. 5 kms away from Semile Customs.

By using this new warehouse MGI is able to provide intermediate storage facilities for all kind of general cargo arriving the country via Northern Iraqi Gateway Ibrahim Khalil Customs.

Cargo destined for Northern Iraqi destinations or especially Central and Southern Iraqi destinations can be transshipped to Iraqi trucks and/or stored there on case by case basis e.g. to overcome waiting times for documents completion or other challenges.

The warehouse is equipped with fire protection devices and monitored by CCTV equipment.

A basic warehouse insurance is available from our side. However, we recommend to cover an additional warehouse insurance for temporary storage purposes in case of need.
